Marko Marković

Front-End Developer
Since 2010

Started playing with JavaScript and CSS since senior year of high school. Now, I'm using utility-first CSS. As for JavaScript, I'm practicing functional programming goodness.

WordPress Developer
Since 2013

Started when the Theme Customizer was the future. Now, ready to dig into the Gutenberg editor. Also, I'm excited about the possibilities of Gatsby and WP interoperability.
